

Buckland Bash Rogaine Event information

Buckland Bash Rogaine -Sat 8 November

This is a 6 or 12 hour rogaine to be held on privately owned farmland and State Forest to the north of Buckland. The course setters are Ross Kelly, Ian Woolford, Nick Bowden and Barry Abbott. The terrain is primarily undulating dry sclerophyll forest, but there are areas of dense vegetation and some steep gullies to challenge your navigation skills.

Directions to Start

The hash house is located on the east side of Buckland Road (C318), 9k north of Buckland. Camping will be available on the Friday night prior to the event.

Compulsory Equipment

Team members are required to carry sufficient clothing to ensure it is possible to keep warm and dry in the event it becomes necessary to await rescue as the result of an injury, a whistle and a water bottle.

Each team is required to carry a first aid kit, a compass and a pencil for filling in check point intention sheets. The first aid kit must include a bandage suitable for immobilising a limb in the event of snake bite.

Other Information

- The entry fee includes a pre-marked colour map and clue sheets for each team member and a light meal (soup, toasted sandwiches and fruit salad) after the event. Please advise the organisers if you have special dietary requirements.
- The paper the map is printed on is not waterproof and should be protected by "contact" adhesive or a plastic bag.
- The NavLight check point registration and timing system will be used. Competitors will be issued with a wrist band containing an electronic tag
- In accordance with rogaining tradition, no eating or drinking utensils will be provided at the hash house. Remember to bring your own cup or bowl for soup.
- Water drops will be provided on the course. No cups will be provided, the water drops are for competitors to re-fill their water bottles which are compulsory equipment.
- Before starting, competitors will have to provide medical and emergency contact information, and an intended route plan. Forms will be available at the registration desk.
- For additional information about the event contact Ross Kelly (Ph 0362233006) or Nick Bowden (Ph 0428571729)
